If you would like to compare this to my salary, go two pages down. I do not want to reveal this to anybody who does not want to know – but it might be useful context for my donation decisions.

Salary information is on the next page down.

2020 Salary

My pretax salary in 2020 will add up to approximately \$94,000. My donations were 25% of the amount I earned.

Wharton PhD student stipend up to June: ~\$22,000.

NYU pretax Assistant Professor Salary from July: \$72,016.

These amounts do not include 401k contributions that are deducted automatically from my salary.
